DESIGN CRITERIA

The *Design Criteria* information packet contains succinct guidelines for the most commonly proposed changes. These guidelines are used by the Historic Preservation Commission as the design criteria when reviewing applications for Certificates of Appropriateness. The packet also includes sample applications and support materials. The *Design Criteria* packet is available at City Hall or on-line at www.madisonga.com.

The *Madison Historic Preservation Manual* is an illustrated handbook which offers a basic understanding of Madison's enduring qualities and provides suggestions for the protection and maintenance of its historic properties. Although out of print, copies of this National Trust for Historic Preservation Award winning document are on reserve for public use at City Hall and the Morgan County Library. They are also available on CD-ROM or on-line at www.madisonga.com.

My project is a fence around the property of the Stokes McHenry home at 458 Old Post Road. I have a contingency contract and one of the stipulations is approval of a fence to keep my dog in the yard. I have consulted Greg Malcolm at the Madison Home's and he is drawing a design for the areas that would be fenced.

Since, my current pet, is a three year old who is fairly large. If there is a possibility of having a five foot, black metal, simple design fence with nice gates in the appropriate places I would be most appreciative.

I thank you so much for your consideration of this matter.
