Re: Annexation of Property  
Parcel 046 049

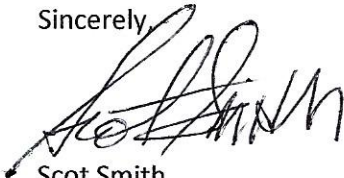

To Whom It May Concern:

I, Scot Smith, Owner for Pick One, LLC, and is the sole property owner of Parcel 046 049 approximately 59+/- acres, in Morgan County, Ga. There are no other property owners of this parcel and there are no residences located on the property.

I am requesting annexation to the City Limits of Madison, GA. I'm making this request as I intend to develop this property in the future. In order to execute this development, I'm aware that I will need to accomplish this annexation and then perform a rezoning to the appropriate zone classification as shown on the attached rezoning plat.

If you have any further questions, please contact me.

Sincerely,

Scot Smith  
Pick One LLC
